KOLKATA: It was no less than a festival at the Kala Mandir auditorium with over 1000 students from all over West Bengal and the neighbouring state of Jharkhand converging for the regional final round of TCS IT Wiz 2014 on August 22.

The written prelims had a set of 20 questions for all the teams at the venue from which the top six teams made it to the finals. The quiz was open to high school students studying in class 8-12 (including pre university of junior college students).

The quiz had a mix of intelligent and interesting questions through software based rounds, gamification and animation. The highlight of the regional finals of the quiz was the animation based quiz software with a unique format created by quizmaster 'Pickbrain' Giri Balasubramanyam and his team.

After a riveting regional final Shadan Kalam and Adnan Azmat from Kerala Samajam Model School, Jamshedpur school won the title and walked away with an iPad Air each. They will represent Kolkata at the mega finals to be held in December. The runners-up for the contest represented by Anirban Paul and Mohammad Nafees from Loyola School, Jamshedpur won an iPad mini each.

An interactive Twitter contest was organised during the quiz to engage with the students in real-time as a part of social media outreach programme.
